

SYNONYM POEMS

THIN

Scrawny, slender, skinny, slight
Your plump friends tell you you're too light.

DOG

Canine, barker, mangy mutt
Biter of the postman's butt.

CAT

Tabby, Tom, or Siamese
Mice are quick to flee from these.

SCHOOL LUNCH

Burgers, prunes, and warm spaghetti
To eat this stuff I'm not ready.

WEIRD

Bizarre, strange, and spooky things
Books and stores by Stephen King.

OUTLAW

Pirate, bandit, thief, or crook
At them the judge should throw the book.

SMALL

Little, tiny, mini, short
Elves and ants are of this sort.

GHOST

Spirit, goblin, and bogeyman
They will haunt you if they can.

DOGS

Loud, hairy, fleas, and bites
I'd like to punch out their lights.
